

As at 21 October 2014

Report/Project Title	Year(s) of Project	Authors	Location of Project	Funding Bodies
Testing retained sowing seed of hybrid canola over a range of rainfall zones	2012	Trent Potter (Yeruga Crop Research)	Minnipa, Lameroo, Bordertown & Bool Lagoon	SARDI, GRDC
Effect of clay delving on water and carbon storage: a case study in the South East of South Australia	2005 - 2007	Giacomo Betti (University of Adelaide)	Coonalpyn, Bordertown	SENRMBS
Am I wasting Phosphorus? (Literature Review)	2011	Felicity Turner (MFMG) Glenn Bailey (Rural Solutions SA)	South East of South Australia	SENRMBS, MFMG, Rural Solutions SA
Managing Sclerotinia Stem Rot in Canola (Fact Sheet)	2008	NSW DPI Trent Potter, Steve Marcroft, Don McCaffery and Felicity Pritchard	Australia	GRDC, Canola Association of Australia (Australian Oilseeds Federation) NSW DPI
Investigating the use of "radiometrics" as a potential tool to identify soil types in the South East	Jan to June 2011	Felicity Turner (MFMG) Glenn Bailey (Rural Solutions SA)	Various sites in SE of SA	SENRMBS
Cereal Disease Management	2010	Nick Poole	Australia's High Rainfall Zone	GRDC
The Seasonal Variation in Soil Salinity under Irrigation	2008-2010	Jock McFarlane (Rural Solutions SA)	Wirrega	Rural Solutions SA (Government of SA)

Assessing Wheat Crop Water Use	2010	Michael Zerk (Rural Solutions SA)	Bordertown & Wolseley	Rural Solutions SA (Government of SA)
Building Resilient Farming Systems	July 2008 to June 2010	Jock McFarlane (Rural Solutions SA)	Lowan Vale, Sherwood, Western Flat, Willalooka, Bordertown	National Landcare
Quantify and Promote Benefits of Deep Ripping	Jan 2008 to March 2009	Trent Potter (SARDI) Jock McFarlane (Rural Solutions SA)	Frances & Cadgee	SENRRMB
Increasing Precision Agriculture Awareness and Adoption in the South East of South Australia	Dec 2008 – Dec 2009	Felicity Turner	Coonawarra, Conmurra, Padthaway, Frances, Bordertown, Apsley	Department of Agriculture, Fisheries and Forestry (Caring For Our Country)
Optimising Crop Management (Stubble Management 1 & 2)	2010 - 2011	Trent Potter	Frances, Millicent	DPI (MFMG, SARDI, GRDC)
Making Every Megalitre Count (Field Trip)	2012	Krysteen McElroy	Mount Gambier, Allendale East, Kalangadoo, Mingbool	SENRRMB (DEWNR)
Evaluating Drop Tube and Sprinkler Irrigation for White Clover Seed Production/ Impacts of Centre Pivot Irrigation on White Clover Seed Production/Dripline Irrigation on White Clover	2008 - 2009	James DeBarro, Alpha Group Consulting	Frances & Bool Lagoon	SENRRCC/RIRDC
Success with Perennial Pasture Stands	2010 - 2013	Nick Edwards Penny Craig	Woolumbool/Avenue Range/Naracoorte	MLA
Optimising Red Meat Productivity	2010	Penny Craig	Various	MLA (SEPLA)
Preparing Farm Business for Climate Change	2011		South East	DAFF Farm Ready Industry Grant
Washpool Trial	2010	Nick Edwards	Avenue Range	SEPLA

Communicating Climate Change series (SA's future climate, Wheat & sheep production in changing climate, Water resources in changing climate of SA, Grain marketing considerations under climate change scenarios)	August 2008	Complied by Sarah Bruce (Bureau of Rural Sciences)	South Australia	MLA, BCG, Dept of Agriculture, Fisheries and Forestry, Bureau of Meteorology, Bureau of Rural Sciences.
Economic Solutions to Long Term Productive Grazing Systems	2013	Nick Edwards	Woolumbool/Avenue Range	Naracoorte Seeds (SEPLA)
Increasing the Awareness and role of PA in Soil Carbon Management	November 2009 to March 2013	Felicity Turner (MFMG)	Bordertown, Frances, Padthaway, Apsley, Conmurra and Penola	Department of Agriculture, Fisheries and Forestry (Caring For Our Country)
Continuous Improvement of Soil Management to support Resilient Farming Systems	January 2011 to June 2013	Glenn Bailey (Rural Solutions SA)	Kybybolite	Department of Agriculture, Fisheries and Forestry (Caring For Our Country)
Clay Delving of Sandy Soils			Tatiara	Land and Water Aust DWLBC
Crop Benchmarking Project	2002 – 3	Ken Solly Penny Craig	Frances Bool Lagoon	Solly Business Services GRDC Landmark SFS SARDI
Effective Weed Control for the Australian White Clover Seed Industry	2004	Penny Rifkin	Neurparr Frances	RIRDC

Eyre Peninsula Study Tour	2010	Krysteen McElroy	Eyre Peninsula	GRDC, DAFF SENRMBS
Managing Your Sandy Soils		Brian Hughes Rod Eldridge		Landcare, ABA DWLBC
New Zealand Study Tour	2004	Ken Solly (Tour Leader)	New Zealand	
Pasture Development on Delved Soils	2006		South East	Landcare, ABA DWLBC
Raising the Bar with Better Canola Agronomy	2008	Various		GRDC Better Oilseeds, AOF
MFMG Trial Results book	1999 2000 2001	Various		GRDC, PIRSA, SARDI National Heritage Trust
	2002	Various		GRDC Rural Solutions National Heritage Trust SARDI
	2003 2004	Various		GRDC, SARDI Rural Solutions SA
	2005	Various		GRDC, SARDI Landmark NAB
	2006 2007			GRDC SARDI NAB
	2008 2009 2010	Various		GRDC SARDI NAB SENRMBS Caring for Our Country Planttech

Wattle Range Sandy Soils Project	2006		Wattle Range Avenue Range	Landcare DWLBC ABA
Western Australian Study Tour	2005	Ken Solly (Tour Leader)	Western Australia
