

**SOUTH EAST NRM BOARD -
MACKILLOP FARM
MANAGEMENT GROUP**

SETTING YOUR FARM BUSINESS UP FOR SUCCESS

A modern business planning program designed especially for broadacre farmers managing climate and market variability.

CREATE THE FARM BUSINESS YOU WANT . . .

At the end of the 6-month program, you will have created an 8-year business plan that will assist you in managing variable farm production (and its impact on your finances and landscape); and give you tips on how to balance lifestyle and farming.

NEED SOME NEW THINKING?

A 6-month business
planning program
consisting of: -

Workshop 1

Thursday 19th September 2019 - Keith

Workshop 2

February 2020 (Date & Venue TBA)

2 webinars case studying local
leaders who have diversified their
farm business

plus

2-hours of business coaching to
implement your plan

Take the next step.

THIS IS A FREE PROGRAM - facilitated by
experienced coach and business planning
consultant, Danielle England.

Danielle has over 20 years experience working with
broadacre farming families to set meaningful life and
business goals.
