# MEDIA AND COMMUNICATIONS

## Online workshops

### May 17th, 19th & 21st 2021

All workshops will be held online from 2-4pm ACST

- Holding an event, but aren't sure how best to promote it? ✓
- Want to include engaging pictures in your newsletter, but only ever have your smartphone? ✓
- Struggling with how to write a media release to catch the attention of local media? ✓

...then these workshops are for you!

These workshops are designed as a series and attendance is required at each session for you to make the most of them; workshops are open only to participants working in agriculture in the Limestone Coast.

Presented by Simone Smith, Writer and Media Consultant, Free-Range Ag

This project is supported by the Limestone Coast Landscape Board, though funding from the Australian Government's National Landcare Program.
